

## **Classroom Management Plan**

In order for proper learning to take place and for us to make the most of the time given us, certain behaviors need to exist. First grade students are eager and excited to learn! I will do my best to use that excitement and energy to foster learning. **Motivated by love for our Savior, this set of rules needs to be followed to ensure a safe and learning environment:**

- 1. Be prepared for class** – materials ready, sitting and quiet on time
- 2. Show respect for classmates, teachers and others in authority** – obedience, proper use of manners, tone of voice and language is expected
- 3. Show respect for property** – no writing, coloring, scratching on furniture, books, or supplies
- 4. Use walking feet and inside voices**
- 5. Keep hands and feet to yourself**

**If a student chooses to break a rule, a warning is given. A second offence will result in forfeiting minutes off recess or a privilege, a third offence results in more minutes off recess/privilege and a meeting with me to devise a plan to correct the issue. Parents may be notified. A fourth offence will require a time-out in the Office. Parents will be notified. Severe disruptions require immediate removal and parental notice.**

**Parents will be notified if a child has repeated issues, caused physical harm or made use of foul or disturbing language.**

## **Communication Plan**

Feel free to call, text or e-mail to notify me of basic information (dentist appointment, going with grandma, going on vacation etc.) **Please schedule a meeting with me to discuss concerns and serious questions.** I pray that we can effectively work together to best help the children as they learn to glorify God through their learning.
