School Board Notes from Budget discussion February 22nd 2011, revised in August 2014 Establish a direction for St. John's School based on a 5 year vision with the following criteria:

5 year vision:

God willing, achieve and maintain a Christian day school between 175 and 225 students k-8 This should be accomplished through prayer and by Church and School outreach based on the following criteria. Cap of no more than 27 students per grade.

Goals:

- The task of the church is to preach His Word, so that all families may know Christ
- God wants us to grow in faith
- God wants us to grow in knowledge
- God wants us to grow in Christian living
- 5) God wants us to be good stewards of blessings of congregation and community

Please note:

- * Tuition would be capped at a calculated amount, thus the amount of support by the congregatiion will float but not to exceed 50% of the cost of education
- * Principal teaching obligation time may float?
- * Dependeng on enrollment and student needs, teacher aides may need to change

If it is God's will to have enrollment enrollment k-8 between 130 and 159, 2 grades are combined, 1 less teacher is needed, therefore, the cost of education changes as follows:
