St. John's Lutheran School - November 13, 2019 www.stjohnsburlington.org

Mission Focus

During the second quarter, we will give special attention to the new and growing WELS mission work among the Hmong people in Vietnam. Throughout this quarter we will share more about this exciting new mission that continues to be blessed by God. Our chapel mission offerings will help support continuing work to bring the gospel to the Hmong and, by God's grace, the Vietnamese people.

Call Received

This week, Mr. Malliet received a divine call to the ministry at Salem Lutheran School in Milwaukee, WI. They are asking him to serve as a 7th grade teacher and upper grade science teacher. We are asking you to keep him and his family in your prayers as they consider the St. John's and Salem ministry calls.

St. John's Lutheran School Fine Art and Craft Fair

On Tuesday, November 19, join us from 6:00-7:00 for an hour of art, music, and hors' d'oeuvres at the second annual Fine Art and Craft Festival. You can converse personally with one of these budding artists about their projects while you enjoy being served appetizers by 7th and 8th graders. You could even make some lantern art of your own for the upcoming Burlington "Light up the Night" event. You may also go home with an exquisite cooperative class art project available in the Silent Auction. This promises to be an event of fun and fellowship for all. Don't miss it!

Student Invitations

Each K-8 student received two special invitations to share for our Art and Craft Festival. These were designed by two of our upper graders. Keep one as your reminder and share the other or share both with friends or family. If you would like to invite even more friends or family, extra invitations can be found by the school office.

Appetizer Sign Up

There still is a need for specific treats to be shared on November 19 at the Art Festival. Please consider signing up through the Sign Up Genius invite or contact the school office. This will help as we get ready for this big event.

School Board

The School Board at St. John's has a practice of inviting parents and students or other interested parties to attend the School Board meeting at least twice during the school year. These meetings of the School Board will include a 30 minute "Open Forum" segment to allow St. John's family members the opportunity to have time with the School Board if desired. This portion of the meeting will include the opening devotion, and then opportunities for questions to be asked of the Board. The Board will then move on to the rest of the agenda in closed session.

These open meeting dates have been scheduled for November 14, February 13, and April 16 at 6:30pm. This interaction with the School Board is designed to create more opportunities for open communication with the leaders at St. John's.

Spirit Wear

The winter spirit wear online store session is open. But don't wait too long. To get the goods here quickly, the opportunity to shop will be closing on November 20th. Sweatshirts, t-shirts, polos, winter hats and more are available at the [St. John's Spirit Wear Store](#).

Junior Choir Sings Sunday

At this week's 10:30 worship service, our Junior Choir plans to sing. The choir members may sit with their families and come to the front during the worship.

Basketball Helpers Needed

Our St John's Athletics is looking for a volunteer to run the scoreboard for all home basketball games this season. There are three games per night and only 4 home games all season. The dates are Dec 7, Jan 8, Jan 10, and Jan 31. Please contact Mr. Malliet if interested or for more information. (gmalliet@stjohnsburlington.org)

Our St John's Athletics is seeking volunteers to help staff the concession stand for all home basketball games this season. The dates are Dec 7, Jan 8, Jan 10, and Jan 31. Volunteers do not need to be in the concession stand for all three games. Please contact Mr. Malliet if interested in helping with one or more nights.

Basketball Schedule

The games and tournaments for the basketball season are listed on the online school calendar and in the Eagle News Quick Links. You can add this Google calendar at www.stjohnsburlington.org/calendar.

"Color Days" Continue!

It is that time of year when the whole school can wear the "Color of the Day" on Thursdays.

For the past several years, St. John's students and faculty have been celebrating "Color Days" by wearing the color of the week that 3K is learning about in school. Mrs. Meinke, the preschool teacher, will be taking pictures of students wearing the color of the week to be hung in the hallway or used in the year-book.

Brown Day, Thursday, November 14

Thursday, November 21 - "Gray" Day

Thanksgiving Worship at St. John's

We will be offering two opportunities for worship this Thanksgiving, November 27 at 6:30 pm and Thanksgiving Day at 9:30 am. Let us join together in giving thanks for all the ways our Lord has blessed us.

Advent by Candlelight

Ladies, please join us on December 1 at 6:30 pm for Advent by Candlelight. The program this year is "Blessings on the Tree." We will focus on the blessings we find on the tree during Advent while enjoying an evening of fellowship, music and dessert. Come and take a closer look at Christian Christmas symbols that adorn many of our Christmas trees in our homes and at our church. More information, as well as sign-up sheets, can be found in the narthex. There is also a sign-up sheet if you would like to attend, but need a ride. If you plan on inviting three or more people, we would ask that you host a table. This will assure that everyone has a place to sit. Program will begin at 6:30 pm with table viewing at 6:00 pm. Please contact Sharon Lorfeld at 262-492-7848 with any questions.

Robot Challenge

Just come and try it. All of our 5-8th graders are invited to come and try building with the vex kits. These are a little like legos and erector sets squeezed together. When we add the motors, sensors, and digital brains, things will get even more fun! We will host an open "play time" on November 15, 20, 21, and 22 from 3:15 - 4:30. Come once, many, or every time. Soon we will be determining who wants to commit to being on one of our teams to design, build, drive, refine, program and compete in the VEX IQ Challenge. Contact Mrs. Edgington or Mr. Avery with any questions.
